We would like to say a huge thank you to everyone who attended our 57th Annual Membership Appreciation Dinner on March 11, 2017. We had a record number of 158 in attendance. Our theme was Mardi Gras this year. The Chadron State College food services provided an excellent meal and decorated the tables with masks and beads. We had lots of games, activities for the kids, board member elections and great prizes. The most sought after prizes were the punch card for the new Chadron Aquatic Center and the Rapid City Rush tickets. We would like to give a special thank you to Chadron State College for their help putting on a great event and to CFCU Board members for helping run games.

Meet Your Staff

My name is Georgia Edoff. I grew up east of Hermosa, SD on a cattle ranch. I earned an Associate Degree in Agri Business from Sheridan Community College. Fall of 2016, I transferred to Chadron State to pursue a Bachelor Degree in Business Administration with an option in Agri Business. I started working at Chadron Federal Credit Union in January of 2017. I have always had a strong interest in finance; my ultimate goal is to become an Ag Loan officer. Working at CFCU has allowed me to gain experience in finance as well as be a full time student. I enjoy working at Chadron Federal Credit Union and am excited to continue helping members.
